Bangalore.

Dear Sir,

This is to certify that, Antrax Technologies based out of Bangalore has a very good service network for Projectors and LCD TV.

We had some service issues with our LCD TV. When contacted M/s Antrax Technologies they were very generous in accepting the LCD TV for repair and also never charged any amount towards the repair.

I hope and wish Antrax to grow in manifold in years to come.

Thanking You,  
Acer India Pvt Ltd.
